## Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in ( ) are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

## NOTICE TO NEW BIDDERS

### Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog price, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. **YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

# IS THIS YOUR FIRST AUCTION CATALOG?

16th EDITION GUIDE BOOK AND 18th EDITION STANDARD CATALOG

USED IN CATALOGING THIS SALE

Gold, silver, small cents, types, commems (gold & silver), and scarce currency, seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING  
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

## BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

# YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred forty successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 7c airmail stamp to find out what we would pay for your outstanding pieces? naturally we buy collections, too.

## SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

**TYPE SET SILVER DOLLARS**

1. 1795 B-1 TYPE 1794, FLOWING HAIR, Two Leaves under eagle's wing, Date 1 795, "MAGNIFICENT SPECIMEN WITH SHARP STARS, BUST & OTHER FEATURES. A BEAUTIFUL PROOF SURFACE." In Fact, the Original Description Was As Follows: "1795 B-1, Two leaves, Flowing Hair, BRILLIANT PROOF. A most remarkable specimen and an outstanding rarity so choice. Easily worth \$1,000.00". The above was the description of this coin when it was sold several years ago in one of the choicest collections of silver dollars to come upon the market. A notation had accompanied this specimen that this coin was acquired early in the Twentieth Century from a prominent dealer as an "Original Proof." "Since it differs from the restrikes of 1801, 1802, and 1803 made in the 1860's, we are inclined to agree that this was a "specially made coin for a collector or museum." This coin was priced then at the same price as the 1801 restrike (\$950.00). The 1801 restrike would today probably bring somewhere in the neighborhood of .....\$5,000.00

2. 1795 B-7, TYPE 1794, slightly smaller bust, THREE LEAVES under wing, nearly Uncirculated with some luster. RARE VARIETY. Easily worth ..... 850.00

3. 1795 B-15, BUST TYPE (HAIR IN KNOT, SMALLER EAGLE) "MAGNIFICENT PROOFLIKE SPECIMEN (ACQUIRED AS A PROOF WHICH IT MAY WELL BE. We note Bolender calls his B-16 a PROOF. Lovely blending of blue, purple and golden toning. Regardless of what it is called (Proof, Master-Coin, Presentation Piece, Etc.) we cannot help but feel that this remarkable specimen was made for either a collector or museum. In addition, this is a very rare variety. Easily worth the asking price of \$1500." The above was the description of this coin when it was sold several years from a really outstanding collection. It is interesting to note that it was then valued far more than the 1795 B-1 (it was in the same collection). The 1795 B-1 seems to be a bit more popular today, so this B-15 will probably bring somewhere around the price for that specimen ..... \$5,000.00

4. 1797 B-1, STARS INCREASED FROM 15 TO 16 (Tennessee became a state) 9x7 STARS, a beautiful UNCIRCULATED specimen with a lovely color. VERY RARE SO CHOICE. In Addition, a RARE DATE having the smallest issue 1795 thru 1803! Easily worth ..... 1000.00

## TYPE SET SILVER DOLLARS (Continued)

- |   |         |
|---|---------|
| 5. 1797 B-3, STARS CHANGED TO 10x6, a choice virtually Uncirculated specimen having only the barest friction. VERY RARE. About twice as rare as the 1797 9x7 stars and one of the MOST UNDERVALUED OF ALL THE EARLY DOLLARS! Too low at .....   | 750.00  |
| 6. 1798 B-1b, 13 OBERSE STARS (it was soon realized how impractical it would be to add a star for each new state) Small Eagle reverse, advanced die breaks beyond that for B-1a. A choice nearly Uncirculated specimen of this VERY RARE "TYPE" COIN ISSUED ONLY BRIEFLY IN 1798! The catalog value for even the "commoner" B-1 is ridiculous at a mere \$500. What few specimens we have seen during the last 25 years or so have been in the lower grades. This exceedingly rare "type" and date in choice condition should bring well over ..... | 750.00  |
| 7. 1798 B-13, LARGE HERALDIC EAGLE, Only 10 Arrows (Error Die—should be 13 arrows) UNCIRCULATED turning a lovely golden color. With "common" varieties of 1798 cataloging \$300, this much scarcer one should bring over .....  | 400.00  |
| 8. 1799 OVER 98, B-3, FAMOUS "15 STAR REVERSE" (engraver tried to hide his error by placing a cloud over the first and last star and only the points of these two stars "peep out" from the clouds) UNCIRCULATED starting to turn a lovely golden color. VERY RARE VARIETY but in this condition EXTREMELY RARE! Easily worth over .....  | 1000.00 |
| 9. 1799 B-23, STARS 8x5 in place of the normal 7x6 (1798-1803 type) nearly Uncirculated. RARE TYPE. Catalogs a ridiculous \$350 uncirculated; should be closer to .....   | 500.00  |
| 10. 1802 B-6, Close Perfect Date, 7x6 STARS, BRILLIANT UNCIRCULATED. VERY RARE IN THIS STATE OF PRESERVATION! Easily worth over .....   | 500.00  |

- |   |           |
|---|-----------|
| 11. 1836 GOBRECHT FLYING EAGLE, No Stars Obverse, 36 Stars Reverse, INVERTED REVERSE ORIGINAL of which ONLY 600 WERE STRUCK, BRILLIANT PROOF. VERY RARE. .... | \$2500.00 |
|---|-----------|

12. 1836 GOBRECHT FLYING EAGLE, similar but NORMAL REVERSE of which ONLY 1000 WERE STRUCK, PROOF turning golden. RARE. We note a specimen advertised early in the year by a leading dealer at \$1500; perhaps this will now bring more.

13. 1836 NAME BELOW BASE INSTEAD OF ON BASE AS ABOVE TWO COINS, A BEAUTIFUL BRILLIANT PROOF OF THIS OUTSTANDING RARITY OF WHICH ONLY 18 WERE ORIGINALLY ISSUED! How many can still remain in existence after all these years? Of these few, how many can still be in this remarkable state of preservation? We have seen fewer specimens of this GREAT RARITY than of the 1876-CC 20c of which 14 are still in existence and which was offered several years ago at \$10,000.00. The other comparative rarities are the 1838-O 50c of which 20 were issued and which last sold at \$9500.00 and the 1894-S 10c of which 24 were issued and which sold about a year and a half ago at \$13,500.00. What this great rarity will now bring is up to you, the bidder. Who knows how many more years will again pass before this great rarity again appears upon the market.
14. 1839 13 STARS ON OBVERSE, NO STARS REVERSE, REEDED EDGE rather than plain edge as on above types, BRILLIANT PROOF, short line in field (possibly from contact with another coin). ONLY 300 ISSUED compared to the 1000 issued for the normal 1836 type. Should be worth at least .....\$2500.00
15. 1848 LIBERTY SEATED, No Motto, acquired from a leading dealer as "ORIGINAL BLUE PROOF" (both original and restrike proofs exist back to 1830's in ½c, 50c, etc. Why the catalog lists only the half cents this way and not the others, your guess is as good as ours). Careful examination of this specimen with a glass reveals some minute imperfections (the kind generally "glossed over" by most dealers). A most unusual specimen. No wonder the owner was willing to pay \$500 for it several years ago. Perhaps it will now bring closer to .....750.00
16. 1859-S First year San Francisco mint. A beautiful Uncirculated specimen with blue and golden coloring. Seldom available in other than circulated condition. RARE. ....250.00
17. 1860-O New Orleans mint. Golden PROOFLIKE GEM. Rare so choice. ....100.00
18. 1867 MOTTO ADDED, BRILLIANT PROOF. Only 625 issued. ....125.00
19. 1870-CC First year Carson City Mint. A beautiful PROOFLIKE GEM with blue and golden coloring. RARE. ....500.00
20. 1872-S Bluish golden Uncirculated with Prooflike surface. RARE. ....400.00
21. 1878 Liberty Head, 8 TAIL FEATHERS, BRILLIANT PROOF. VERY RARE. Only issued at Philadelphia during 1878 and then only for a short time until it was discovered that the tail was supposed to have only 7 feathers. This was corrected and the later 1878 dollars bore only 7 tail feathers as did all the branch mints of this and succeeding years. The guidebook lists a total of only 550 proofs issued of Both 8 and 7 tail feathers 1878, making this date THE SMALLEST ISSUE LIBERTY HEAD DOLLAR PROOF 1878-1904! Since about 95% of the "proofs" we have seen sold of this date are actually "first-strike" prooflike surface specimens, collectors do not generally realize how rare this TYPE COIN actually is. If this "honest-to-goodness" proof were in our stock, our asking price would not be less than .....250.00
22. 1878 8 Tail Feathers duplicate, acquired as a BRILLIANT PROOF but close examination reveals it is actually a "first-strike" with proof surface—the kind generally sold as proofs of this date.
23. 1878 7 TAIL FEATHERS, BRILLIANT PROOF. THE RAREST PROOF SILVER DOLLAR 1878-1904 and at least twice as rare as the 1878 tail feathers. Many, many times rarer than the 1895 which catalogs \$1,500.00. At least 95% of the "proofs" sold of 1878 7 feathers have proven to be "first-strike" proof surface specimens when we have examined them. It is difficult to over-emphasize the true rarity of true proofs of this date in the face of the "proof surface" specimens being sold. If rarity is any criterion, then this very rare coin should certainly bring over .....500.00

## TYPE SET SILVER DOLLARS (Continued)

24.	1921 PEACE TYPE, raised center medallion type resulting in virtually all the specimens we have seen having the hair lines "mashed down" in the striking. This particular specimen is unusually sharp with nearly all the hair lines being well defined and struck up. Actually rare thus. ....	35.00

## TYPE SET HALF DOLLARS

29.	1795 FLOWING HAIR, Small Eagle, variety with bust centered too far to left, about fine except stars at right weakly struck so that they no longer show up in this condition. RARE VARIETY. With "common" varieties now at \$125 in fine, surely this RARE variety should be closer to .....	200.00
30.	<b>1801 HAIR IN KNOT, Large Heraldic Eagle, variety with AME;RICA, extremely fine. VERY RARE. We note the catalog lists very fine specimens of the "ordinary" 1801 at \$750; surely this rarity should bring over</b> .....	<b>1500.00</b>

32.	<b>1836 REEDED EDGE, No Motto, bluish golden Uncirculated, slightly rubbed. RARE. ONLY 1200 ISSUED making it one of the smallest issued U. S. coins! Comparing this date with other coins of about equal issue (1836 Gobrecht flying eagle dollars, etc.) it appears this coin is somewhat undervalued in keeping with its true rarity. Instead of being listed in the catalog at a low \$200, we believe it should be listed for at least</b> .....	<b>250.00</b>
33.	1838 Reverse Changed To HALF DOL., golden Uncirculated, two tiny nicks on cheek where some other coin evidently came in contact with it. Catalogs ..	60.00

35.	<b>1839 LIBERTY SEATED, NO DRAPERY FROM ELBOW, very fine. A particularly difficult type coin to find. Greatly undervalued. Three types were issued this year; bust, no drapery and drapery. 37.	<b>1840 LARGE LETTERS AS IN 1838, nearly Uncirculated. RARE, especially this choice. Seldom offered and then usually in inferior condition. 39.	<b>1846-O NO DRAPERY AS IN 1839 but larger Date, Eagle, Letters, nearly Uncirculated. RARE and UNLISTED altho the catalog does list the 1845-O no drapery in uncirculated at \$112.50; surely this rarer date should be worth well over</b> .....	<b>150.00</b>

43.	1861 CONFEDERATE RESTRIKE, Uncirculated but high points of obverse slightly flattened due to pressure exerted in striking the Confederate die. 92. **1796 HAIR IN KNOT, SMALLER EAGLE, "LIKERTY" VARIETY, BRIL-  
LIANT UNCIRCULATED, SHARPLY STRUCK WITH GOLDEN OVER-  
TONES. WE WERE ABOUT TO USE THE TERM "GEM" BUT UPON  
CLOSE EXAMINATION WITH A GLASS, WE NOTE A HARDLY PERCEP-  
TIBLE "PINCH" AT EDGE ABOVE "L". Truly, a magnificent specimen of  
this very rare type and EXTREMELY RARE VARIETY. This variety has been  
listed in the catalog for years without any price. Now, they have finally at-  
tached a price of \$400 for fine (not listed better due to rarity) specimens  
even tho they have sold at \$750 to \$1000 some time ago. In fact, the  
specimen in the 1961 A.N.A. Sale last August described as "very fine to  
extremely fine obverse and fine or better reverse" realized \$1800.00.  
Surely, this magnificent specimen a year later should be worth at least \$4,000.00**

## ROLLS HALVES UNCIRCULATED

We believe, as did this investor, that halves are somewhat undervalued in keeping with the ratio of values of cents thru quarters. They are overdue for a rise in value and we believe they will prove to be a good investment in the not too distant future. Just check and see how few rolls of halves are offered compared to the other denominations. Need we say more?

1257. 1934 Roll 20, Brilliant Unc. SCARCE. Catalogued much too low for a 28 year coin. In addition, who had money to lay away "expensive halves" at

	\$10 per roll during the bottom of the Depression. What few collectors laid away rolls did it in the more inexpensive 1c and 5c. Cat. only	110.00

### LETTERED EDGE DOLLARS 1794-1803

1285. 1794 VERY FINE. VERY RARE. Only about 45 or so said to be in existence today. In December of 1960, when the coin catalogued \$3,000, a comparative specimen sold at a New York auction at \$3700. Then the catalog, when it was issued in late June, 1961 advanced it to \$4,000. In July, 1961 at the Cleveland convention, we noted a comparative specimen offered by an Eastern dealer at \$5,000. Since then, we have seen a holed and plugged specimen at \$2,000. Surely the new catalog, issued July 1, should have advanced it to its proper present day valuation which should be around \$5500.00

1696. 1797 SMALL EAGLE, 12X4 STARS (16 stars for states) UNCIRCULATED WITH A PROOFLIKE REVERSE, A REMARKABLY CHOICE SPECIMEN OF THE FIRST TYPE EAGLE. IN ADDITION, IT IS VERY RARE AS A DATE. checking records back thru the years, we find this date was offered only on an average of one to ten specimens of the 1795. What a combination, RARITY AND CONDITION! The last 1795 in comparable condition was \$3500.00; this is many times rarer.

1697. 1798 OVER 97, 9X4 STARS (stars standardized at 13 for original 13 states) Uncirculated, slightly rubbed on obverse, some prooflike surface on reverse. VERY RARE. Acquired in March at \$2500.00. The last specimen of this rarity to appear in our sales was in December of 1960. We must admit it was a bit better, however it also had a "better" price—\$5,000.00. The specimen being catalogued should now have a value of somewhere around .....\$3500.00

1698. 1799 8X5 STARS (one of the 1799 dollar dies also had 8x5) small stars as in 1798 rather than the usual Large Stars used most of 1799 thru 1804, LARGE HERALDIC EAGLE REVERSE. A most interesting "transitional coin" have some characteristics of the earlier type and some characteristics of the later type. THIS IS A REMARKABLY CHOICE SPECIMEN, SHARPLY STRUCK AND HAVING FULL MINT LUSTER. A BEAUTIFUL NATURAL YELLOW ORANGE COLOR. This specimen compares favorably with the one in our July sale at \$1750.00; could now bring closer to ..... 2000.00

1699. 1801 Usual Huge Stars, nearly uncirculated as to wear but name faintly evident in field (could probably be "improved" by a good jeweler). We note an "about uncirculated" specimen offered in May at ..... 750.00

1700. 1839 TYPE 1838 with Large Letters, a choice nearly Uncirculated specimen. VERY RARE. THIS TYPE (coil of hair from ear to back of head) ISSUED ONLY IN PART OF 1838 AND PART OF 1839 (total production of this type only about year). It has been quite some time since we have had the privilege of offering a specimen of this type in our sales. Based on supply and demand, we feel this VERY RARE TYPE should realize in the neighborhood of .....\$1500.00

1719. 1853 OVER 2, UNCIRCULATED WITH YELLOW TINT. AN OUTSTANDING RARITY AND ONLY TWO SPECIMENS KNOWN TO DATE! THE ORIGINAL "2" CLEARLY SHOWS IN THE INSIDE BOTTOM OF THE "3". THE PEDIGREE GOES BACK TO NEW NETHERLANDS COIN CO. (John Ford who is also editor of the Standard Catalogue of U. S. Coins). TRULY, A MOST UNUSUAL OPPORTUNITY TO ACQUIRE AN OUTSTANDING RARITY BEFORE IT "SKYROCKETS IN VALUE" WHEN IT IS INCLUDED IN THE CATALOG. We note the Guidebook has included the 1862 OVER 1 \$2½ gold this year and in the year previous included the 1865-S over inverted 186 \$10 (we were privileged to catalog the discovery specimen in our July catalog). The present owner "stole" this 1853 Over 2 at a mere \$1000.00. We believe this GREAT RARITY should surely be worth as much (if not more) than the 1865-S Over Inverted 186 which was valued \$3500.00

**\$20 GOLD**

This consignment is being catalogued after our return from the A.N.A. convention in Detroit. We noted a marked rise in gold values there reflecting the new regulations banning the importation of gold coins from abroad. "Common" \$20 gold pieces were bringing \$52.50 to \$60 each at most dealers (some sold out their entire stocks). What the prevailing prices will be by the time this catalog is issued, your guess is as good as ours. Nearly all dealers, however, felt that prices would "firm up" further this fall.

## \$10 GOLD

The recent rise in the values of "common" gold has also extended to the \$10 pieces. Now that the importation of these is prohibited, collectors, investors and dealers are scrambling for them. Prices advanced at the recent A. N. A. convention in Detroit and no doubt present values will appear as "bargains" before the end of the year.

## COMMEMORATIVE HALF DOLLARS

The rise in values during the summer has been phenomenal with many actually doubling in value. The prediction of \$10,000.00 per set in the not too distant future by an Eastern dealer appears to nearer to being realized than even he believed. If the present rate of rise in values continues, the \$10,000.00 prediction may well be realized in 1963.

## FLYING EAGLE & INDIAN HEAD CENTS SETS

---

2169. 1857-1909 COMPLETE (only 1 1873, 1886) in attractive lettered plastic, MATCHED UNCIRCULATED SET, Red shading to deep Red and Purple. IN STRONG DEMAND. Comparable to the set we saw at the A.N.A. convention in August at \$4150.00; with the continuing rapid rise in values, we believe this set should now bring closer to 4500.00

2170. 1857-1909 COMPLETE (only 1 1873, 86) matched set very good to fine (perhaps some would grade very fine). Catalogs \$717.70 fine but judging from the prices being asked, they would probably now sell closer to 1000.00

## LINCOLN CENTS SET

---

2171. 1909-1958 COMPLETE (no 22 plain or 55 double die) in attractive lettered plastic, MATCHED SET which appears to be RED UNCIRCULATED but close examination leads us to believe they were once cleaned and have since acquired a more natural appearing color. To be on the safe side, will call the set nearly uncirculated to uncirculated. Catalogs \$2331 but have seen sets advertised over 3000.00

## BUFFALO NICKEL SET

---

2172. 1913-1938 COMPLETE (no 18/17-D) in attractive lettered plastic, MATCHED SET which appears to be uncirculated but close examination with a glass leads us to believe some have been cleaned and have now once again acquired a more natural appearance. To be safe, will call the set nearly Uncirculated to Uncirculated. Catalogs \$2621 but have seen sets advertised around 3500.00

## MERCURY DIME SET

---

2173. 1916-1945 COMPLETE in attractive lettered plastic, MATCHED SET which appears to be uncirculated but close examination with a glass leads us to believe some have been cleaned and have now again acquired a natural appearance. To be safe, will call the set nearly Uncirculated to Uncirculated. Catalogs \$2,344 but sets seem to now be approaching closer to 3000.00
